## CALDWELL FUND

### Preserving Our House Into the Next Century!

**Caldwell Fund Established to Expand Debt-Free Results of With a Certain Devotion Campaign; Goal to Raise \$500,000 for Long-Term Maintenance Fund**

**By Chris Harris '95**

The students are back, campus is abuzz and the DKE House is ready for another strong year. Over the summer, the Alumni Board performed routine annual house maintenance, purchased some new furniture and a television for the house

**“The Caldwell Fund will ensure that our house will be maintained and preserved.”**

and planned initiatives for both our alumni and active chapter.

One exciting new development is the kickoff of the Edwin Lee Caldwell Memorial Capital Fund. As you are well aware, we successfully completed our *With a Certain Devotion* Campaign and are now debt-free. The existing physical structure is renovated and the active chapter is keeping the house in excellent working condition. However, after a comprehensive study of the physical plant, we realized we need to establish a fund that will allow us to keep our physical plant strong well into the next century. The Caldwell Fund will ensure our house will be maintained and preserved to our high standards

of excellence. Over the next year, we will ask you to help raise at least \$500,000 to endow a long-term house maintenance fund. You have been loyal and generous supporters of the DKE House over the years and we ask that you continue to keep the DKE House on your priority list. You will receive more information soon but please think now of how you might best be able to offer your financial support.

As always, all alumni are welcome to visit the DKE House at any time during the year and we thank you for your tremendous support of our efforts. If you should need to contact me for whatever reason, please do not hesitate to do so.

## SITTERSON GOLF

### Si Sitterson Golf Tournament Raises Nearly \$5,000 for Charity Proceeds from Inaugural Event Benefit American Association of Suicidology By Nick Tsahakis

Thanks in large part to tremendous alumni support, the Si Sitterson Memorial Golf Tournament was a success. With the help of our hole sponsors and participants, the tournament raised nearly \$5,000 for the American Association of Suicidology.

The Si Sitterson was held on Friday, April 7th, 2006 at Hope Valley Country Club in Durham, NC. Putting on a display of poise and shot making, a foursome consisting of **Scott Collie '89, Glenn Dickson '89, Bobby**

**Ferrell '89** and **Walker Harris '90** were the inaugural tournament winners. **Chris Harris '95** oversaw the event and was invaluable in spearheading our fundraising effort. **Jimbo Huckabee '95** was instrumental in helping us secure the beautiful (yet challenging) Donald Ross design.

Incredibly enough, many of those who played in the inaugural event came as far as Charlotte and Winston Salem, the morning of no less. We certainly could not have put this on without their support. Thanks to Executive Chef, Meg Miller, participants enjoyed delicious hors d'oeuvres and the usual array of libations at the DKE House following the golf. Always entertaining, **Clem Wright '52** spoke to all 75 players making the turn and again at the DKE house. We feel very fortunate to have such a dedicated alumni base with which to turn to and look forward to an even larger event in Spring '07!

## CHAPTER REPORT

### Spring Semester Focused on Increased Philanthropic Activities

#### Chapter Hosts Home Run for Habitat 5K and Sitterson Memorial Golf Tournament to Raise Money for Charity By Spence Davenport

We already have much to be proud at DKE in 2006. The house was able to use the momentum gained from our newest members to accomplish several great things. Philanthropy was the biggest focus for all of us this past spring. We were all very excited to have another successful Home Run for Habitat 5K and everyone greatly enjoyed our first Simon Carlyle Sitterson Memorial Golf Tournament. All of your donations and support were greatly appreciated.

The DKE house is currently in the middle of our recruitment period. Our rush chairs **Clay Martin '08, Ty Peebles '09** and

**Harrison Parker '09** have done a good job organizing the team for a successful fall class and we look forward to making the current house larger and stronger than it has been in recent years.

As the semester rolls along, we anticipate more success in our growing Annual Spaghetti Dinner and we will also continue to look for more ways that DKE can get involved with the University. Many thanks are owed to Meg Miller, **Chris Harris '95** and all of the alumni and friends for their continued help over the last several months.

Braxton "Brac" McKee '78** and I coached a 10 and under lacrosse team in Virginia Beach (the East Beach Cavaliers). We had a great time together and were fortunate to have a highly successful season. We made it to the championship game of the Hampton Roads Youth Lacrosse League and lost 4-3 on a last-second goal. Brac's son "Brac" (my godson) played goalie and my son "Ranny" played close defense, so they were often playing as a unit. We were proud of our boys.

## Clement G. Wright '52, Lover of Deke Traditions, Honored with Inaugural 1851 Distinguished Alumni Award

### Award Recognizes Alumni Who've Made Superior Contributions of Time and Love to the DKE House

**Clem Wright '52** is careful not to take himself too seriously. When told he was to receive the inaugural 1851 Distinguished Alumni Award for the DKE Beta Chapter, which recognizes alumni who have made superior contributions of time, interest and love to the DKE House, he was stunned. "Receiving this award floored me," he says.

**Chris Harris '95**, Beta DKE, Inc. president, explains why the board deemed Clem more than deserving of the tribute: "Clem is always on top of things," he said. "He was the perfect first recipient (of the 1851 Award.) His love of the DKE House runs deeper than almost anything else, and we all respect and admire him for that. We don't know what we would do without Clem around to remind us of the way things used to be. Additionally, he provides the backbone of our traditions and makes sure we continue to keep these in mind as we go into the future. He truly is as a DKE should be—a gentleman, a scholar, and a jolly good fellow."

As the keeper of Deke traditions and history, Clem is happy to recount his days as an active. "During the fall of 1948, when I was rushing, one of the Dekes pointed out another brother who was going into the ministry. I started to wonder if the Deke house was the place for me," Clem confesses. "Then he pointed out another

guy and explained he was the biggest drunk on campus. That's when I knew this was the place for me. I'd fit in."

Clem, who served the Beta Chapter as president, believes the Deke House is full of "the best people in the state of North Carolina," and he takes a personal interest in the actives. "He always wants to know where each of them is from, who their parents are, and what high school they went to," Chris Harris notes. Clem thinks it's important to make that personal contact and to treat everyone with respect. "They (the actives) are not kids, they're men," he says. "Treat them like men and you'll get men."

Clem's "official" job for the Beta Chapter is to speak with each incoming pledge class to impart some of the history of the DKE House at UNC-Chapel Hill – a job that Eddie Caldwell did so well up until his death in 1995.

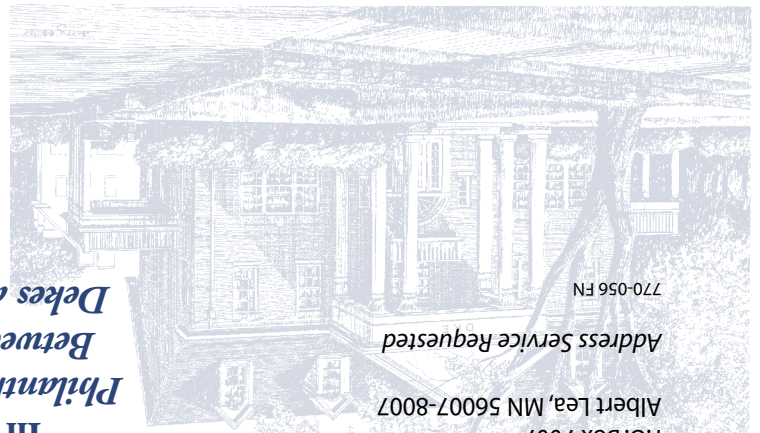

For his part, Clem enjoys the traditions and the ties. "There are no guarantees in life," he says. "That's why the Dekes mean so much to me."
