ALUMNI BOARD UPDATE

Beta DKE 2013-14 Active Brothers Are Scholars and Gentleman — Maintain Good Grades and Make Alumni Proud

The 2013-14 school year has been one of hard work and continuous improvement at the DKE house at UNC. The active brothers worked hard academically and supported a number of philanthropic initiatives this year. (See Ward Wood's article on page 4). The alumni investment of time, talent and treasure is seeing dividends.

The active brothers have been "hitting the books" extremely hard. For fall semester 2013 DKE had a house average GPA of 3.194. (For context, the UNC all-men average GPA was a 3.236 and the all-university average was 3.207, which includes women. The women's all-university average was 3.268, and the all-sorority average was 3.336.)

We are also proud to report we have 8 active brothers with GPAs of 3.750 or higher, 4 active brothers who received "comeback" awards for achieving jumps in their GPAs of at least .5 points between Spring 2013 and Fall 2013. Congratulations to these men for representing DKE well! Their collective efforts truly represent those of "a scholar, a gentleman, and a jolly good fellow."

Now that we have surpassed the 3.0 GPA fixed goal, we will continue with rush activities.

Physical Plant Updates Keep Beta Competitive

The alumni have been hard at work updating the physical plant. A big thank you everyone who has been involved. The updates include installing wireless Internet access throughout the house, which was needed to support the increased utilization, with more and more guys studying at the house. Several other fraternities

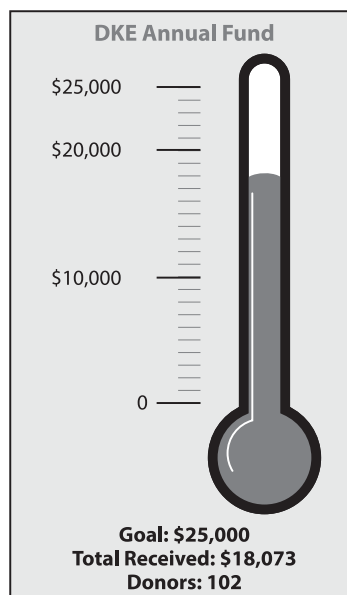

on campus have been spending quite a bit updating their facilities, so we need to continually improve our physical plant every year, in order to keep the DKE house the best looking, and functioning, on campus.

Remaining Wish List

Wish list improvements planned for this summer include replacing the Eddie Caldwell Bar and improving the ventilation system in the kitchen.

Annual Fund Update

Thank you to everyone who has donated to the annual fund already. Those who have not, please consider donating this spring. We've had 102 donors to date, for a total of \$18,073 against our goal of \$25,000. We need your help to complete the remaining items on the wish list.

PHILANTHROPY UPDATE

We've Been Busy Serving the Community This Year

By Robert Daniel – Philanthropy Chair

As most of you know, the 9th Annual Si Sitterson Memorial Golf Tournament was on Friday, April 11 at Occoneechee Golf Club, NC. We had a great turnout at the tournament, and we would appreciate your sharing photos or stories by emailing them to feedback@affinityconnection.com. Mention DKE at UNC in the subject.

Since the beginning of our partnership with Habitat for Humanity, DKE has raised \$195,000 in donations and has volunteered more than 3,520 hours. For this year's project we are working with seven other

fraternities to build a house for two UNC employees and their three children. This is the last year for the Habitat build in Chapel

Hill- since only 5 houses remain to be built in our area, our next build will be in Efland, NC. If you have any questions or would like to make a contribution to Habitat in the name of DKE, please contact me via email at robdanielh@gmail.com.

Additionally, we are spearheading The Brothers Project, in which we and seven other fraternities are volunteering to build a home for two UNC employees and their children. This coming fall, we are having our annual Spaghetti Dinner, and hope to have a charity oyster roast as well.

HONOR ROLL

Thank you to our loyal alumni who have already given this year!

By Ruffin Jones – Alumni Rep. Chair

The active brother spotlight for this month shines on senior Felipe Villahoz. Felipe was Philanthropy Chair last year and currently serves as an adviser to the philanthropy chairs this semester. He also is the co-chairman of the Habitat for Humanity Brothers project. Felipe is an avid sports fan and participates in intramural indoor and outdoor soccer, as well as flag football and basketball. His freshman year, Felipe walked on as a punter for the Carolina football

team. Felipe is double majoring in economics and Hispanic linguistics and is currently looking into a one year master's program at the University of Virginia after he graduates. STATE OF THE HOUSE

Beta DKE Initiates 21 Pledges and "Clean Up" at Meg Miller's Recycling Program

By Ward Wood, President

The Beta DKE house has had a great 2013-14 school year. In the fall we held a successful rush and pledging process, with 21 pledges initiating. The new members included men from Atlanta, Charlotte, Raleigh, New York, Richmond and St. Louis. This new pledge class demonstrated a high academic standard with a 3.252 average GPA, which boosted our house average GPA to 3.194.

The DKEs not only have been working hard in the classroom, but also with our philanthropy, Habitat for Humanity of Orange County. In addition, in the Meg Miller recycling program, the DKEs recycled more

than 7 other fraternities combined.

A few other highlights for us included the Si Sitterson Memorial Golf Tournament, which took place on April 11th at Occoneechee Golf Course, the annual Spring Party with Beta, and our election of 4 new rush chairs for next year.

I look forward to the 2014-15 school year and what the Beta DKE house has in store. I also look forward to meeting all alumni at tailgates next fall (or if you decide to stop by the house before then). Thank you for all your support.
